

VI

Before you even asked, we built your website.

Not a mockup. Not a wireframe. Six fully working prototypes, built and ready. Watch the recording. Like it? We host them live the same day — then you decide.

TO THE DECISION MAKER

Re: Your Cafe & Bar Website — Upwork Project

We know you've received other proposals. Ours is different — and here's why:

Attached is a pitch deck with six working prototypes already built, a screen recording ready to watch right now, and a clear offer: if you like what you see, we host them live the same day for you to try on any device — before you commit.

- Inside the proposal you'll find everything you need to say yes with confidence:

6 Prototypes Built

Watch the recording.
Like it? We host same day.
Try before you commit.

Honest Pricing

4 options from \$400.
Pay only on delivery.
Walk out any time.

Long-Term Partner

Updates in 24-48hrs.
We stay post-launch.
Your team, not a vendor.

The deck answers every question — platform, hosting, reservations, ordering, pricing, and timelines. Transparent, tailorabile, zero invoice until you're happy.

Open the proposal. Try the prototypes. Tell us what you think.

Looking forward to earning your first 5-star review,

The Vendhan Infotech Team

New to Upwork. Not new to building.
